

# STMS Mixer on the Green

June 9, 2018, 5-9 p.m.

## Calling all Scouts

The polo club has invited the scouting groups of STMS members' children to present the colors at the opening of the match. It is a really impressive ceremony with the scouts processing down the length of the field in front of the horses and riders - one the scouts will never forget! If your child's scout group is interested, please contact Barbara Panza at [bpanza@tx.rr.com](mailto:bpanza@tx.rr.com) for more information and to sign up.

**\$10 per person (cash only at gate) (ages 12 & under free)**

Come see the oldest known team sport and meet other STMS families. It is believed that polo was first played over 2,000 years ago with the first recorded polo match in 600 B.C. Today, the ability to see a live polo match is not widespread throughout the United States. According to the U.S. Polo Association, the major polo centers in the United States are in New York, Florida, Texas, and California.
